

New MRSA Patient Information and Screening Update SCM Go-Live – December 18, 2017

- ❖ When a MRSA screening order is entered, the **new MRSA Patient Information and Screening Program** order is automatically submitted.
- ❖ This order will create a task on the Worklist Manager.
- ❖ The MRSA Patient Information and Screening sheet is available via a hyperlink within the Worklist Manager task.
- ❖ Once MRSA screening education is provided, the Nurses will complete the task.
- ❖ Completing this task, creates an entry in the Patient Education Log.
