

Nuance eScripton Dictation Unavailable

- eScripton (phone dictation) is currently down due to Nuance issues. At this time, we do not know when eScripton services will be up again.
- All notes (Operative Notes, H&Ps, etc.) need to be created **within SCM**. We encourage the use of acronyms and Dragon.
- IT support staff will be rounding in key areas throughout the organization.
- Please call the Service Desk at (949) 764-8600, option 6 for assistance.
