

New SCM Facility Boards Restraints Column

NI	Location	Patient	Name Alert	Attending	Nurse, Ext	PCA, Ext	DC Order	R	S*
	5W 014 A	TEST, CMONE	<input type="checkbox"/>	NGUYEN, HIEN H	Mary x48601	Jack x78602		<input checked="" type="checkbox"/>	

Beginning on January 19th 2017, the Facility Board Restraints Column (R) will be available for the following departments:

- Critical Care
- Med Surg

- The Restraints Column (R) will display a checkmark if there is an **active** order for Restraints (Non-Violent) or Restraints (Violent).
- The Restraints Column will turn **yellow** at 20 hours, **red** at 23:59 hours and **flashes** at 24 hours if a new order has not been placed and the patient still has restraints.
